## Trust Overview

This policy serves as a template for the attendance policy across all academies within the Learning Community Trust. It will be adapted to reflect the specific context of each academy, including their local authority procedures. Each academy will publish its tailored attendance policy on the policy page of its website

## 1 Purpose and scope

The Learning Community Trust ('the LCT' or 'the Trust') is committed to providing an inclusive, compelling and transformative educational experience within a safe and nurturing environment to all pupils. We believe, if pupils are to benefit from education, punctuality and good attendance are crucial to them fulfilling their potential. However, attendance within our academies is far more than just an academic consideration. We recognise the nature of our pupils and as a result, believe our attendance systems are our first line in safeguarding our young people and therefore a priority.

With that principle in mind, our academies' approach is to work in close partnership with our families to support a culture of attendance and safety; however, parents are responsible by law for ensuring the regular and punctual attendance of their children. Parents should familiarise themselves with this attendance policy and should work closely with our academy staff to overcome any problems which may affect a child's attendance.

If there are problems which affect a pupil's attendance, we will investigate, identify, and strive, in strong partnership with parents and pupils, to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach, involving families fully, and outside agencies where appropriate, to ensure pupils are in school. We appreciate every family's circumstances are different, and we will always aim to work in partnership with to find a solution for issues that arise.

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance.
- Building strong relationships with families to ensure pupils have the support in place to attend school.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence and contacting families to discuss this.

We will also promote and support punctuality in attending lessons.

## 2 Relevant additional polices, law and guidance

This policy should be used in conjunction with the following additional documents:

Parents are expected to:

- Make sure their child attends every day/timetabled session on time
- Call the academy to report their child's absence before 8.30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the academy with more than one emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

### **3.9 Learning Community Trust Education Welfare Officers (EWOs)**

The EWO has a key role in ensuring the safety of our students through driving attendance improvements. The welfare aspect of the role is significant, and the relationships born from high level pastoral support of students and their families is of the utmost importance to the academy and the LCT.

The EWO role examines so many areas that cross into other aspects of academy systems but ultimately the role is to challenge attendance and provide support to all stakeholders that leads to the desired improvement. In addition, the quality assurance of academy systems allows our EWOs to appropriately challenge academy leaders in their approach to student attendance and safeguarding.

Each LCT academy has the support of an LCT EWO. The role of our EWOs considers all of the above statements and also includes the following:

- A solid understanding of the student/family for all our most vulnerable students, particularly those in severe and persistent absence
- Full engagement with students highlighted as being most vulnerable for attendance, and their families

- Oversee academy actions and become involved in processes after a SAL2 letter has been issued unless there are specific reasons why EWO intervention is not considered to be the most appropriate path
- Actively engage and work alongside external agencies to support all stakeholders
- To be present at Attendance Support Meetings (ASM) to support families and academy staff to put in place the most appropriate plan that will lead to attendance improvements and support the pupil.

Our Education Welfare Officer/s is/are: Adrian Rawsthorne [adrian.rawsthorne@lct.education](mailto:adrian.rawsthorne@lct.education) and Dan Santopietro [dan.santopietro@lct.education](mailto:dan.santopietro@lct.education)

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

**See Appendix 1 for the DfE attendance codes.**

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

- EYFS Attendance (Nursery and Reception)

- For children below compulsory school age (CSA), academies will maintain accurate registers and follow first-day absence procedures in line with this policy.
- Where Reception children have a part-time start, sessions not timetabled will be recorded with **Code X (Not required to attend)**. Once the child is expected in school, any non-attendance must be recorded using the appropriate authorised/unauthorised absence codes.
- Part-time arrangements must not continue beyond the point at which the child reaches CSA.
- Penalty notices do not apply to children below CSA, but concerns about absence will still be discussed with families, with support put in place where necessary.
- All EYFS providers must follow up any absence in-line with this policy's RAG rating, including contacting emergency contacts, considering patterns/vulnerability, and where appropriate making referrals to social care or requesting police welfare checks.

Each academy must have a clear EYFS attendance statement shared with parents, setting out expectations, procedures, and escalation routes.

## 4.2 Unplanned absence

The pupil's parent/carer must notify the academy of the reason for the absence on the first day of an unplanned absence by 8.30am or as soon as practically possible by calling the academy absence line 01952951408 (see also Section 7). The parent must continue to call in each day to update the academy on any continuing absence.

(Staff refer to Appendix 2)

We will mark absence due to physical or mental illness as authorised unless the academy has a genuine concern about the authenticity of the illness. We may contact you by telephone or through a visit to gain more details about your child's absence and how we can support if appropriate. A member of academy staff or an Education Welfare Officer (EWO) may visit the family home to offer support and to keep in touch with the parents and their child.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the academy may ask for medical evidence, such as a copy of a prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily and will not ask parents to pay for evidence.

If the academy is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised. We will endeavour to inform parents of this decision and are happy to discuss the reasons for this.

## 4.3 Planned absence

Attending an unavoidable medical or dental appointment will be counted as authorised if the pupil's parent notifies the academy in advance of the appointment. An appointment card or letter may be requested. If a parent knows their child will be attending an appointment, they should give details to a member of the attendance staff so arrangements can be made to mark the register accordingly.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Section 5 outlines the term-time absences the academy can authorise.

#### 4.4 Lateness and punctuality

The academy gates open at:	8:35am
The academy day starts at (Register opens):	8:45am
Pupils arriving after 8:45 but before register closes will receive an L code; this will result in negative points dependant upon how late students are.	
Register closes at:	9:15am
Pupils arriving after registers close, but before lunch break, will be given an unauthorised mark for the morning (U), This is in line with legal requirements for keeping school registers.	

A pupil who arrives late:

- Before the register has closed (9:15am) will be marked as late, using the appropriate code (L)
- After the register has closed (9:15am) will be marked as absent, using the appropriate code (U)

All academies to have a clear start of day welcome procedure

Each academy is expected to analyse data for both late to the academy and late to registration to identify subgroups and drive appropriate interventions

Use of the academy's behaviour policy will be applied for both late to the academy and late to registration

Academies should strive to review individual circumstances through meetings with pupils and parents to identify issues and introduce interventions/action plans

#### 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the academy will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the academy cannot reach any of the pupil's emergency contacts, academy staff may call at the home to check on your welfare in line with Appendix 2. If this is unsuccessful, we may make referrals to other agencies, including the academy's Education Welfare Officer (EWO)
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary.

If absence continues, the academy will consider involving an Education Welfare Officer (EWO). Each Learning Community Trust academy has an EWO attached who provides additional advice, support and guidance to both schools and families. If we are unable to

ascertain from a parent why their child is absent, we will take all necessary steps to do so. This may include contacting the Police, Family Connect, talking to friends and neighbours and other measures. **Safeguarding children is our priority, and we will do everything possible to ensure they are safe.** If we have not heard from them, parents should expect to hear from us.

- Where relevant, report the unexplained absence to the pupil's youth offending team officer, social worker or other professionals involved with the family
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, our academies will request a Notice to Improve, penalty notice or other legal intervention (see Section 5.2 below), as appropriate.

In line with statutory EYFS requirements, these safeguarding expectations apply equally to Nursery and Reception pupils. Even where children are not yet of compulsory school age, unexplained, prolonged or repeated absence must be treated as a safeguarding concern, with the same escalation pathways followed.

#### 4.6 Reporting attendance to parents/carers

LCT academies will regularly inform parents/carers of their child's attendance and absence levels; this can be seen daily through the MIS software, and through the use of regular progress reports. Parents/carers are always advised to contact the specific academy to gain further information if they have any concerns.

Academy attendance staff will be happy to provide a copy of a child's attendance record should you require it. If your child's attendance is at a level where we feel we need to draw this to their attention, this will be done in one of the following ways:

- A letter called a SAL (School Attendance Letter) may be sent to parents/carers, notifying them of their child's attendance and inviting them you to contact us if they need support. A copy of their attendance will be enclosed.
- A member of staff or the EWO may telephone parents to discuss their child's attendance and to offer support if there are issues affecting attendance or barriers making it difficult for a child to attend. Someone may also talk to your child in school to identify barriers and offer support.
- If the attendance continues to cause concern, parents may receive a follow-up letter, a home visit or an invitation to come to an 'Attendance Support Meeting' where they can discuss any issues with relevant staff (may include the Attendance Officer, Senior Attendance lead, EWO or pastoral support staff) and work together on a plan to ensure that their child is able to maximise the opportunities available to them at the academy by attending daily. Parents may also be offered referral to other agencies, or asked if they would like to be supported through the Early Help process. Early Help is about identifying problems within families early, and providing proactive support, helping to ensure that families receive the right support at the right time.
- If a child's attendance remains unsatisfactory, further referrals may be made, depending on the situation. A referral may be made to Telford & Wrekin's Council's

Attendance Support Team, to Family Connect or to agencies who are best placed to support a child in overcoming any barriers to attendance. We will discuss this with each family dependent on their own unique circumstances.

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The Principal will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances', considering the specific facts, circumstances, and the relevant context behind the request.

A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent. There is no specific definition of 'exceptional circumstances'; however, if the leave is for something that could otherwise be organised during school holidays, it is very unlikely to be granted. **A family holiday, or the cost of taking a family holiday being too expensive during school holiday periods, is not considered to be an exceptional circumstance.**

Any leave of absence during term time can be disruptive both to the child's learning and to the academy regardless of the reason for the leave. Academies will only consider authorising leave in term time where both:

- The application is made on the academy's 'Request for leave in term time' form, to the Principal in advance (at least 2 weeks prior to departure) of the leave by a parent the child normally lives with. **The legislation does not allow for retrospective permission to be granted.** The form can be requested from the academy or is available on the academy's website under 'Leave of Absence Request' We recommend that trips are not booked until leave has been approved. Our Leave of Absence Request form needs to be returned to the school office or emailed or our attendance team for the approval of our Principal.
- There are exceptional circumstances, as agreed by the Principal for the leave, and in such circumstances the academy determines the length of any agreed leave in term time. If a child does not return to the academy on or by the agreed date, they will be at risk of losing their place at the academy. The Headteacher/Principal may require evidence to support any request for leave.

Our Request for Leave in Term Time from School form can be found on [this page](#).

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see Sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the academy will seek advice from the parents'/carers' religious body to confirm whether the day is set apart. We set our dates in accordance with guidance from Telford & Wrekin Council.

- Mobile children travelling for occupational purposes – This includes children from communities such as Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people), circus families, barges (occupational boat dwellers) and New Travellers. Absence may be authorised only when a mobile family is known to be travelling for occupational purposes and this has been agreed with the academy, but it is not known whether the pupil is attending educational provision elsewhere.
- The term ‘mobile child’ is used to describe any child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business that requires them to travel from place to place. This may be a child who has no permanent address or has a fixed address but must spend substantial time away due to their parents’ work. Please discuss your circumstances with our school staff so that we can help you plan for periods of absence.

## 5.2 Sanctions

Our academies will make use of the full range of potential legal sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Sanctions and legal measures only apply once a child has reached compulsory school age (CSA). However, for children in Nursery and Reception who are below CSA, attendance concerns will still be addressed through early support, parental engagement, and escalation to safeguarding partners where necessary.

- **Penalty notices**

The LCT adheres to the local code of conduct, national legislative and statutory guidance used by the local authorities within which our academies are located. In Telford & Wrekin Council, the local authority (LA) can issue penalty notices to fine parents for unauthorised absence of their child from the academy, where the child is of compulsory school age. Before issuing a penalty notice, the academy and the LA will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate
- **Please note: If in an individual case the local authority believes a Penalty Notice would be appropriate, they retain the discretion to issue one before the threshold is met. This might apply for example, when parent(s) are deliberately or purposefully avoiding the national threshold by taking several term time holidays below threshold, or for repeated absence for events such as birthdays and taking their child out of school, or when there are only four pupil days in school and the fifth day is for example a PD day or bank holiday.**

A penalty notice may also be issued where parents allow their child to be present in a public place during academy hours without reasonable justification, during the first 5 days

of a suspension or exclusion (where the academy has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is responsible for the pupil's attendance can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority.

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice (if the strict criteria to withdraw is met).

If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a second penalty notice is issued to the same parent in respect of the same pupil, within a three-year period of the first PN being issued, the parent must pay a flat rate of £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice.

In a case where the national threshold is met for a third time within those 3 years, alternative legal action will be taken instead.

## Notices to Improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school **may** offer a Notice to Improve to give parents a final chance to engage with support.

Notices to Improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the academy is located. They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far, opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance does not improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

The Attendance Support Team at Telford & Wrekin Council can be contacted on 01952 385220.

## 6. Strategies for promoting attendance

The profile of attendance and its importance must be evident in the academy at all times. The culture of attendance has to be of the highest profile to ensure our children understand the intrinsic link between good attendance, safety and future life choices.

**As a result, the academy has the following expectations:**

<b>Expectations of in-academy actions to improve attendance culture</b>	
<b>LCT non negotiable</b>	<b>Desirable</b>

## **7. Supporting pupils who are absent or returning to school**

### **7.1 Pupils absent due to complex barriers to attendance**

LCT academies pride themselves on their inclusivity and as a result, the approach to pupils and families who face complex barriers to attendance. Ultimately, LCT academies will emphasise the importance of academies being a safe place, where pupils really want to be, with the right ethos, engaging curriculums and lessons that inspire each individual.

Key principles expected from all LCT academies are:

- Gain a full and clear understanding of the pupil/family circumstances
- Offer early help either through the academy offer or through the local authority pathways
- Consider and drive engagement of external agency support
- Monitor progress through effective action planning and provide opportunities to review impact and reassess

## 7.2 Pupils absent due to mental or physical ill health or SEND

LCT academies recognise the barriers and the link between mental or physical illness and/or SEND. The key principles all LCT academies will apply are:

- Discuss the underlying reasons for absence with pupil and parents
- Ascertain the support required for both home and the academy to improve attendance
- Devise an action plan (with medical professionals if required) for all parties to drive accountability to ultimately improve attendance or ensure that the pupil has access to an appropriate education

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the academy becomes aware of barriers to attendance that related to the pupil's needs, the academy will inform the local authority.

For pupils with 15 days recorded absence due to illness, our academies have a statutory duty to record this absence with the local authority. At this stage, academy staff and/or EWO teams will need to discuss the absence in more detail and may ask for medical information so that we can best support your child.

## 7.3 Pupils returning to the academy after a lengthy or unavoidable period of absence

The LCT recognises that reintegrating pupils back into education following a lengthy or unavoidable period of absence is challenging. Each academy will work to the following principles:

- Gain a full understanding of the historical issues that have led to absence
- Assess and understand the current barriers to re-engaging in education
- Conduct a high-quality induction based on the knowledge gained from initial meetings; including baseline testing
- Clear and concise action plan to re-engage pupils into education with supportive interventions in place as appropriate
- Monitor and review the action plan at leadership level

## 8. Attendance monitoring

LCT academies hold attendance as one of the key factors in successful outcomes, but equally as important is the safeguarding aspect. We care deeply for our pupils, and we need to ensure they are safe and well at all times.

As a result, we pride ourselves in going the extra mile to support our pupils and families with our first day and follow-up approach. We will make key decisions on a daily basis on which pupil we will send our staff to visit to ensure that we offer both the child and the family the support they would expect from our academies.

LCT academies will:

- Monitor attendance and absence data daily, weekly, half-termly, termly and yearly across the academy and at an individual pupil level as appropriate

- Identify whether there are groups of children whose absences may be a cause for concern

Specific pupil information will be shared with the DfE on request. The academy has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying academy-level absence data is published alongside the national statistics.

The academy will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing body. This is also discussed by the Trust's Standards Committee and regularly reported to the LCT Board.

## 8.1 Analysing attendance

The academy will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance,
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

## 8.2 Using data to improve attendance

The academy will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see Section 8.4 below)
- Provide regular attendance reports to class teachers/form tutors to facilitate discussions with pupils and families, and to the governing body and academy leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other academies in the LCT, other schools/academies in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

### 8.3 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the each academy's strategy for improving attendance.

The academy will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the academy (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at the academy
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the academy will sensitively consider the reasons for absence
- Implement sanctions, where necessary (see Section 5.2, above)

### 8.4 Elective Home Education (EHE)

The Learning Community Trust is committed to supporting our pupils and families through all aspects of their lives. The Trust considers EHE to be the very last resort in the educational journey and as a result will request a Multi-Agency Meeting (MAM) with families and engage with the local authority to help to ensure that the correct decision is made in the best interests of the child or young person.

## 9. Policy monitoring arrangements

This policy will be reviewed annually or sooner if guidance from the local authority or DfE is updated. This will be undertaken as a minimum every 2 years by the appropriate LCT Director and the LCT Head of Attendance & Welfare.

The reviewed policy will be presented for approval by the Trust's Standards Committee and will be shared with the Trust's local governing bodies for information.

## Appendix 2 – Attendance Tracking, First Day Contact and Attendance/Safeguarding Monitoring

Our academies have a robust understanding of their pupils and families. Using this knowledge is critical in making sure pupils attend and are, by default, safe. We use the information to create an agreed criteria that forms a tiered system to prioritise first day response by academy staff.

The academy follows the RAG protocol for first day response:

The **GREEN** and **AMBER** process is as follows:

- If no contact is received from the parents/carers of an absent pupil, on the first morning of absence we will follow 'first day contact' procedures and contact the parent by telephone
- The expectation for text messages to be sent to all absent student families is 9.30am
- The expectation for all phone calls to be made and logged on Bromcom for analysis is 10.30am
- Details of communication will be logged on BROMCOM and if appropriate CPOMs

The **RED** process is as follows:

- Phone call to be made by 9.30am
- Details to be sent to the home visit driver/Family Liaison Officer by 9.45am

The following criteria is to be used to define the RAG ratings of our pupils. Professional judgement may be used to adjust a pupil's RAG rating but must be supported by external professionals and a risk assessment must be in place.

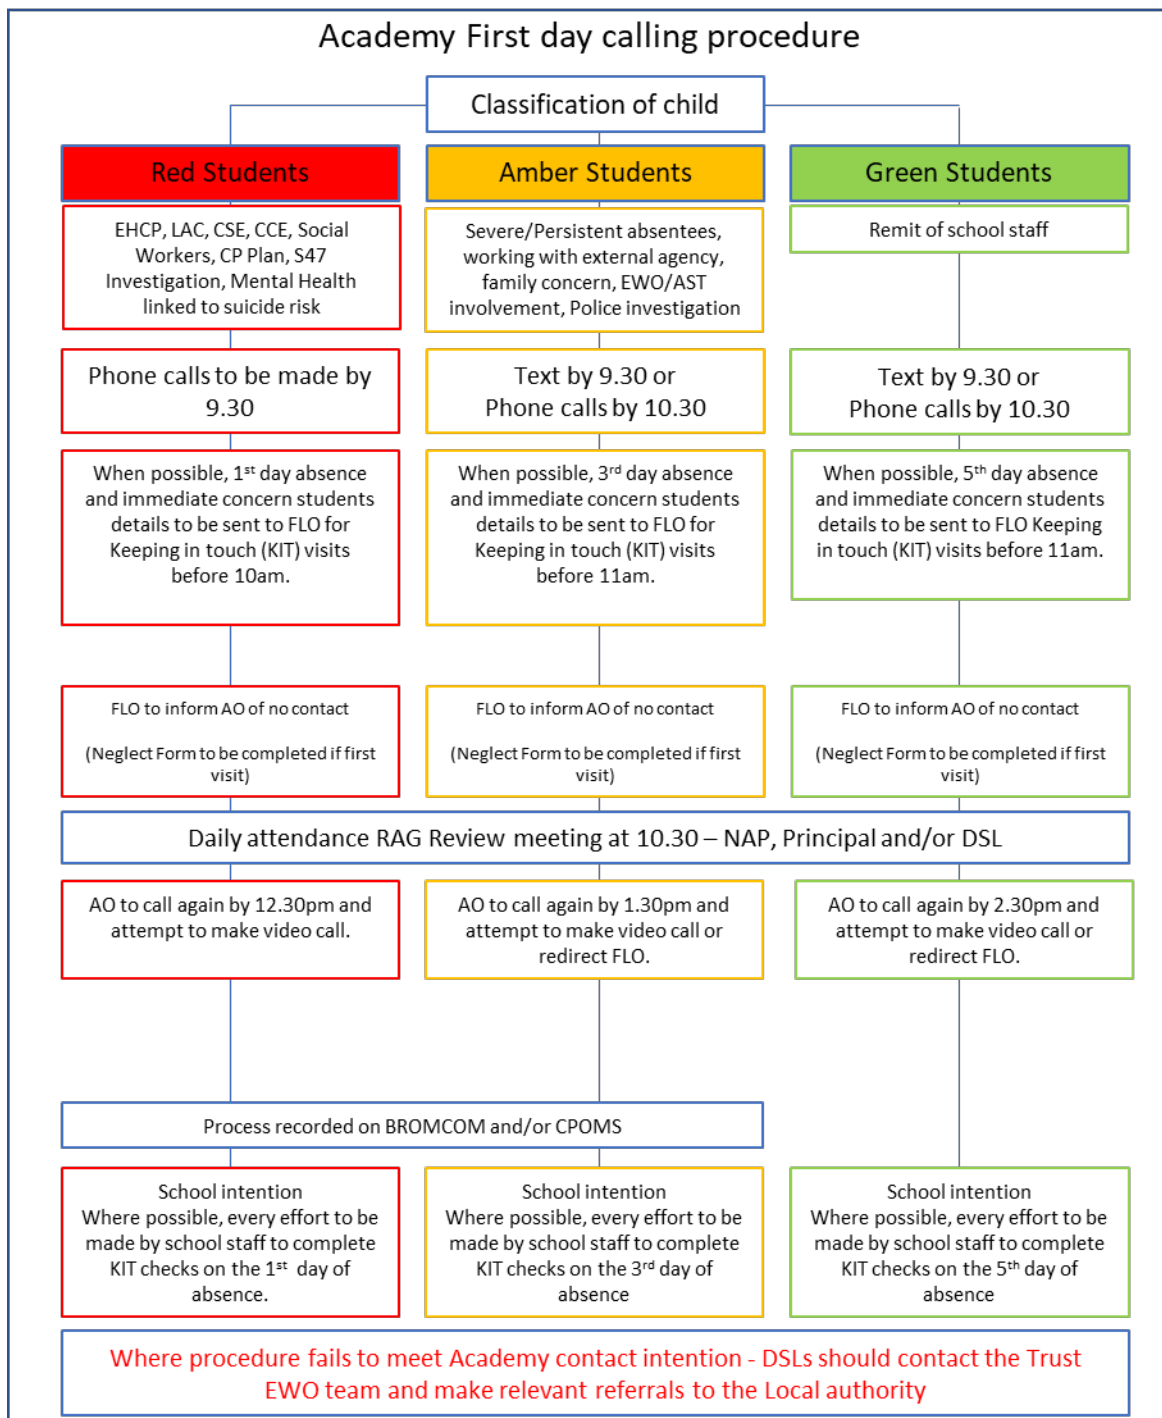

Pupil focus group	Definition/Criteria	Additional Academy Attendance Action All families will be contacted by school on first day of absence
<b>RED** ***</b> <b>T&amp;W – Complex/Acute</b>	EHCP LAC CSE CCE Social Workers CP Plan S47 Investigation Mental Health linked to suicide risk (Family/pupil)	In addition to first day contact:  Academies will make every effort to make face to-face contact with pupil and family every 1st day of absence  Face to-face contact with pupil being a video call or home visit  Academies will contact and update linked external agencies  Academies will visit pupils on a more regular basis if they have additional concerns
<b>AMBER**</b> <b>T&amp;W - Vulnerable</b>	Severe and Persistent absentees Working with external agency Family concern EWO/AST involvement Police investigation	In addition to first day contact  Academies will make every effort to make face-to-face contact with the pupil and family every 3 <sup>rd</sup> day of absence. <b>GREEN</b> <b>T&amp;W - Universal</b>	Remit of School staff	<p>In addition to first day contact</p> <p>Academies will make every effort to make face-to-face contact with the pupil and family every 5<sup>th</sup> day of absence.</p> <p>Face-to-face contact with pupil/family being a video call or home visit</p> <p>Academies will visit pupils on a more regular basis if they have additional concerns</p>

\*\*\* All pupils identified as RAG RED will have a full risk assessment (APPENDIX 3)

## Appendix 2 – Academy First Day Calling Protocol

## Outcome of poor attendance (Specific pupil level)

### Stage A

Some pupils will have accessed the SAL approach to attendance improvement in their previous educational setting with their parents being familiar with the process. However, we

believe that we need to have high expectations and use national formal processes to support improved attendance.

As a result, pupils under 95% attendance will be reviewed and a decision made if School Attendance Letters (SAL) SAL1 is appropriate (Areas to consider: point in academic year, illness etc...). It will be the decision of the AO to send the SAL1 to parents where attendance is a concern

Academies' pastoral systems must work with the pupils to look at effective improvement targets

### Stage B

The decision to escalate to a SAL2 letter should be decided 3 weeks following the issuing of the SAL 1.

The criteria for a SAL2 letter is the failure to improve significantly over the 3 week SAL1 period or for pupils who drop below 90% attendance. The AO can move to SAL2 before the pupil drops below 90% if they see no improvement over the first 2 weeks.

Poor attending pupils moving in from a previous school needs to show 'sufficient' improvement since moving from their previous setting.

It is expected that the 'Attendance Officer (AO)' and EWO are fully aware of the individual student issue. The academy will expect the Education Welfare Officer (EWO), to provide and enforce further actions.

At this stage, the pupil automatically becomes AMBER on the RAG system.

As an alternative to Stage A or B, if there is a rapid deterioration in attendance resulting in 10 sessions of unauthorised absence in a rolling 10 week period, you may receive a Notice to Improve from the Local Authority, or a Penalty Notice if it is felt that this is the appropriate course of action.

### Stage C

If there is no significant improvement throughout the Stage B process, there will be an invitation to the parents to an 'Attendance Support Meeting' (ASM) either at the academy or at the home. This important meeting should include a senior member of staff, parent, pupil, the appropriate member(s) of school staff and will usually include the EWO. The aim of this meeting will be to identify and resolve the difficulties which are preventing the pupil from attending school. The parents/carers will be made aware of the legal requirements regarding attendance.

The academy will support the pupil's re-integration where a pupil is returning after an absence of longer than two weeks. In the event of a pupil returning after a long-term absence, then a 'Reintegration Plan' can be implemented. The plan should include members of the academy staff (as appropriate) and will be designed to be as supportive of the pupil's needs as possible. This plan will be subject to a 3-week review prior to possible escalation to the Attendance Support Team.

The academy will always aim to provide early help advice and support to the family, undertaking an Early Help Assessment if appropriate and making a referral to Strengthening Families or other agencies if it is felt the family would benefit from additional support.

**In order to ensure the success of this policy, every member of the academy staff will make attendance a priority and convey to the pupils the importance of their education.**
