

9th September 2026

Dear Parents and Carers,

We are pleased to invite you to our **Year 11 Revision Information Evening** on **Thursday 17th September at 6pm**. This session is designed to support students and families as we prepare for the upcoming **November mock examinations**, and to ensure every student is equipped to make the most of this important year.

We are incredibly proud of how our Year 11 students have started the year. They have settled in with maturity and focus, showing genuine care for their studies and a clear ambition to succeed. Their attitude has been commendable, and we are excited to build on this strong foundation together.

The evening will include:

- An overview of your child's courses and key content areas
- Information about the November mock exam series
- Practical advice on how to support your child's revision at home
- Details of the revision support and resources we are offering in school
-

This event is part of our commitment to working in **collaborative partnership** with families to ensure every child maximises their learning and achieves their full potential. We believe that by working together, we can provide the best possible support for our students both at home and in school.

We warmly encourage all Year 11 students to attend with a parent or carer. Please confirm your attendance by Tuesday 15th September via this link:

<https://forms.cloud.microsoft/e/WcWEk6bBEr>

In addition to this, we are beginning our targeted Period 6 intervention on Monday 14th September. This appears on students' timetables if they have been targeted. However, non-targeted students are still welcome to attend.

- Monday – Maths
- Wednesday – English
- Thursday – Science
- Friday – History, Geography and MFL

The timetable will be adapted during the mock exam window to reflect the mock timetable. Following mocks, the remaining option subjects will target students during Period 6 until the mock data is analysed and the new target groups are created.

Thank you for your continued support. We look forward to seeing you and working together throughout this important year.

Kind regards,

Mrs M Griffiths
Assistant Headteacher
